

# Rhythmanalysis

## By Shomit Sirohi

### Introduction

Not individual but in  
fact generally –  
generally rhythms.

#### I. Rhythms as Everyday

One should have  
everyday rhythms and

be interested in this subject.

## II. How it resolves the crisis

In fact rhythms then solve the crisis.

## III. Following Rhythms

In fact that is all it means, to follow rhythms.

Linear rhythms

And Nested rhythms

It can be a Situationism.
